

DENTSOC NEWSLETTER

WELCOME - It is once again my absolute pleasure to present to you the second edition of our DentSoc Newsletter. We hope you enjoy looking through it!

As I look back on this first term, it has been truly momentous with regards to the fantastic progress made by the Dental Society – so I would like to collectively thank my committee team for all their hard work so far, this academic year. I sincerely hope this has been a memorable, successful and enjoyable term for all of you individually too. I am sure you're all looking forward to the festive break, a well-deserved period, albeit rather short for you all to enjoy with friends and family and to recharge ahead of the New Year! I look forward to catching up with you all in January and finding out what your 2018 Resolutions are.

Yours,
Ali Nasser
DentSoc President
